

SIGHT PROGRAM

Our Foundation provides eye exams and glasses to qualified low-income individuals in Bucks, Delaware, Philadelphia, and Montgomery counties. This includes vision testing, as needed.

ASSISTANCE ELIGIBILITY

This program is made available primarily to those individuals who do not have insurance that covers eye exams and glasses and whose income falls at or below 200% of the Federal Poverty Level Guidelines.

APPLICATION PROCESS

- The system and process of applying for assistance is volunteer driven and depends on eligibility and available funding, so please be patient.
- Initially you should check if there is a Lions Club in or close to your community.
- If there is not a Lions Club available, and you live in Bucks, Delaware, Montgomery or Philadelphia County, please complete the Contact Us form and a Foundation representative will assist you.

OUR VISION PROJECTS AVAILABLE FOR GROUPS

- Vision screening and glasses are provided to low-income individuals in Center City (Philadelphia) in the Spring of each year.
- We assist as a Sponsor at the annual Special Olympics Event held at Villanova University in November of each year by providing vision testing and glasses when needed, to the athletes.
- We provide vision screening for pre-school children to provide early detection of eye problems.
