## Lions Code of Ethics

**TO SHOW** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**WHENEVER** a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

**TO HOLD** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing and accepts service in the spirit in which it is given.

**ALWAYS** to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

**TO AID** my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**TO BE CAREFUL** with my criticisms and liberal with my praise; to build up and not destroy.

**Donna Vasek**  
**DISTRICT GOVERNOR**  
**2024-2025**

I would like to thank the Lions of District 14A for trusting in me to be your District Governor for 2024-2025.

I am the first to admit that I do not have all the answers, but with all our resources, answers can be found. My Cabinet and I are always here in case you have a question. Please if your club is having a problem or you know of a club that is having a problem contact any of our Officers to help.

This year I am focusing on two main agendas, one Membership. Currently we are in Mission 1.5, which means that LCI is looking to have 1.5 million members by year 2026. We as Lions need to let our friends, co-workers and neighbors know what we are doing for the community as well as the world.

**2024-2025 DISTRICT GOVERNOR**

Remember, the more Lions we have the more people we can help.

Second, I along with our GAT coordinators are planning many training programs. As of this printing we have already had a multi-training program in August and a Zone Chair training program in October. We are currently planning more. If you would like to see a particular training program, please let me know.

I am very proud and honored to be a part of the Lions Club. Remember "Where there is a need, there is a Lion."

I am sure that you have seen all the disasters that are happening around the world. Our District currently has no disaster fund. I am asking for each club to donate \$100.00 to District 14A to start up our own Disaster Fund. The money will only be used to provide disaster relief within our District. Please write 'Disaster Fund' in the left-hand corner of the check.

I still need clubs to schedule a visitation with me. I look forward to meeting with you and seeing what your club has accomplished.

Keep up the great work that you do. If you have any questions, don't hesitate to contact either:

## Invocations & Benedictions

---

On the inside front cover of this booklet we have published the "**Lions Code of Ethics**". On that page we address ourselves to a sense of "moral responsibility". In today's society we often see a lack of moral responsibility, but we believe that spiritual awareness can be an essential aid towards establishing that discipline within our lives. Whatever your individual faith or beliefs, we submit the following non-sectarian Invocations and Benedictions that may be used at your club meetings.

### INVOCATION / GRACES

Lord God, we thank you for the opportunities we have to serve you and our neighbor this day. Bless all that has been done that is right and good. Forgive anything that is less than what you would have us do or say or be. We ask you to bless and keep all our Lions who serve us in our community. Now as we break bread, bless the food and those who have prepared it, so that we may continue to find meaning in thy service. AMEN.

– OR –

Thank the Lord for all his goodness. Bless us as "We Serve". Render to us the joy of our fellowship, and may this food sustain us in our works. AMEN.

### BENEDICTIONS

We give thanks to you, heavenly Father, that you have this day so graciously protected us. We beg you to forgive us all our sins and the wrong which we have done. By your great mercy defend us from all the perils and dangers of this night. Into your hands we commend our bodies and souls, and all that is ours. Let your heavenly angels have charge over us and give us peace. AMEN.

– OR –

Gracious Lord, we give you thanks for the day, especially for the good we were permitted to give and to receive. The day is not past and we commit it to you. We entrust you the night; we rest in surety; for you are our help, and you neither slumber nor sleep. AMEN.

## Lions Meeting Protocol

---

In our Association, we subscribe to "protocol" to demonstrate that we are organized and that we have respect for the fundamental concepts of a discipline which we have imposed upon ourselves voluntarily. The following are guidelines to be used for conducting a formal Lions meeting in that respect.

### THE AMERICAN FLAG & CLUB BANNER

- U.S. Flag displayed to President's right.
- Banner displayed to President's left, or behind podium.
